

Geography Factsheets Plans for 2022/2023

18 new Geo Factsheets are published annually:
6 in September 2022, 6 in January 2023 and 6 in April 2023.

As always, we will continue to provide coverage of physical hazard events and human issues as they occur.

The titles for 2022/2023 will be chosen from the following:

Adapt or Die: An Analysis of Managing the Climate Emergency in Some of Africa's Poorest Countries	Levelling Up: Can It Become a Successful Policy for the U.K?
Air and Land Pollution: Two Relevant Topics for Fieldwork Investigations for the NEA	Managing Energy Supplies in the Emerging Nation of India
Case Studies of the February Winter Storms in Europe 2022	Migration in Ukraine: Voluntary and Forced
Coastal Management at Fairbourne: The Impact of a Do Nothing SMP	Neom Saudi Arabia's New Desert City
Coastal Processes and Management at Newbiggin, Northumberland	Russia and Ukraine: An Analysis of Their Changing Geopolitical Relationship
Contrasting Neighbourhood Plans for Two Villages in Rural Cornwall	Russia: The Drive Towards the Recapture of Its Former Superpower Status
Development Issues in Dubai: Can Its Growth Be Sustainable?	The Baltic Republics: An EU Success Story?
Does London's Heathrow Airport Need a Third Runway?	The Challenges Faced by the California State Water Project
Enhancing Your NEA by Using Social Media	The Impact of COVID-19 in the U.K: An Unequal Pandemic?
Fieldwork to Evaluate the Carbon Footprints of Individuals and Communities	The Importance of Biodiversity in Managing Climate Warming: Case Studies From Rural India
From COP26 To COP27: How Can We Manage the Findings of the 2022 IPCC Report?	

Geo Factsheets are of high relevance to A-Level students working on the current specifications. They include up-to-the-minute case studies and provide students with the latest in-depth analysis of key physical, human and economic topics. Our Geography authors are experts in their fields and many of them are senior examiners.

Your subscription includes access to the archive of 448 Geography Factsheets plus PowerPoints, Questions and Answers, Singapore Articles, E-Books and Interactives. All of our resources are site-licensed, meaning that every student and member of staff in your institution will have access to this growing resource.
